Professional Examination for
Provincial Service of Officers in the
Public Works Department:
Procedure and Rules regarding the—

Government of Bombay.
Public Works Department.
Resolution No. 9437/36.
Bombay Castle, 22nd November 1949.

Paragraph 2 of letter No.A.I.33.E/8073, dated 5th August 1949, from the
Public Health Engineer to Government:—

2. In my Circle, there are both Civil Engineering Graduates and Mechanical Engineering graduates, holding charges of sub-divisions or equivalent charges. There are also ~~three~~ project sub-divisions, where no construction works are in progress. The syllabus prescribed for the examination is mostly civil engineering and is not ^{apparently} ~~apparently~~ intended for the Mechanical Graduates holding charge of sub-divisions. Presumably, it is the intention of Government that these mechanical graduates holding charge of sub-divisions have to be examined with due regard to the duties they are required to perform. If so, I suggest that their course of examination should be different and a panel of officers of this Circle should be on the board of examiners. In a similar way, the Deputy Engineer in charge of purely project sub-divisions should be examined in their field of engineering only and on the day to day accounts that they are ~~required~~ required to deal with.
